

Amendments to Rivington Chapel Newsletter May – July 2013

1. Alison and Peter will open the Chapel before the service on 16th June rather than 2nd June. This is to better facilitate the combined Strawberry Tea and Emily Davison Commemorative Service which is to take place on 2nd June.
2. The Chapel will not be open before the service on 5th May. We are already open for visitors on 4th May, for Rivington Spring Festival. It is felt that opening on both days is not necessary.
3. The discussion and vote on the 'Congregational Leadership Role' will be held after the service on Sunday 16th June and not on 7th July. The July date has proven to be impractical.
