We the Min^r and principle hearers
of the Chapel in Birmington. having long
observed that the Chapel yard is excessive-
ly wet and uncomfortable. so much so that
the Coffins are nearly covered with water. we
have therefore come to the resolution of lay-
ing the same completely dry immediately by
sough. and draining which we calculate
will cost £5. We therefore take the li-
berty to desire your subscription in aid of
such intentions by the Deacons.

We are Sir very respectfully
Your Obed^t Serv^{ts} N. Hibberd Min^r
